MEETING DATE		AGENDA
January 26, 2026		Section: Consent Agenda
Department/Office : City Clerk	AGENDA REPORT	Item #: 2.
Subject: Resolution No. 1-2026: Authorizing the Use of Electronic Signatures.		
Requested Action or Motion: Move to adopt Resolution No.1-2026 authorizing the use of electronic signatures on official city documents, as presented.		
Summary Explanation & Background: The City of Maitland has increasingly incorporated electronic workflows into daily operations. Electronic signatures have been accepted on various contracts, agreements, and administrative forms for several years. Florida law, specifically the Florida Electronic Signature Act, Chapter 668, Florida Statutes, provides that electronic signatures are legally valid and have the same force and effect as handwritten signatures. As digital government functions continue to expand, establishing a formal, City-wide authorization ensures consistency across departments and sets clear direction regarding the acceptance and use of electronic signatures on official City documents. Resolution No. 1-2026 authorizes the expanded use of electronic signatures on all official City documents, including resolutions, ordinances, contracts, interlocal agreements, and administrative forms requiring execution by authorized officials. Electronic signatures will be executed using secure platforms approved by the City that meet statutory authentication and compliance standards under Chapter 668, F.S. Adopting this resolution will modernize document processing, improve workflow efficiency, and enhance secure digital recordkeeping. Staff recommends that the City Council adopt Resolution No. 1-2026, authorizing the use of electronic signatures on official City documents in accordance with Chapter 668, Florida Statutes.		
Fiscal Impact: TBD The City currently utilizes secure electronic-signature software. Any additional licensing or related costs will be absorbed within departmental operating budgets.

MEETING DATE		AGENDA
January 26, 2026		Section: Consent Agenda
Department/Office : Parks & Recreation	AGENDA REPORT	Item #: 3.
Subject: Amendments to Entertainment Contracts for Events: Oz Productions Inc.		
Requested Action or Motion: Move to authorize the City Manager to execute Amendment 2 to the Maitland Jazz and Blues Festival Music Performance Production Contract and Amendment 3 to the Getdown Downtown Music Performance Production Contract with Oz Productions Inc., for a combined total amount of \$66,500, with a contingency allowance of up to 5%.		
Summary Explanation & Background: In previous fiscal years, the Getdown Downtown monthly street party series and the Maitland Jazz and Blues Festival utilized two different band booking agents. For the current fiscal year, however, the same agent is coordinating live entertainment for both events. Entertainment for all street parties has already been secured, and tentative arrangements are in place for bands to participate in the Maitland Jazz and Blues Festival scheduled for April. Pursuant to the City of Maitland Purchasing Policy, purchases exceeding \$50,000 require City Council approval. The combined cost of the two event series totals \$66,500, which exceeds this threshold. Accordingly, City staff recommends that the City Manager be authorized to execute amendments to both existing entertainment contracts with Oz Productions, Inc., for a combined amount of \$66,500 with an additional 5% contingency allowance to address any unforeseen circumstances.		
Fiscal Impact: \$66,500 - General Fund Events, 01280574-534925-SE002 and 01280574-534925 SE001

MEETING DATE		AGENDA
January 26, 2026		Section: Consent Agenda
Department/Office : Fire/Rescue	AGENDA REPORT	Item #: 4.
Subject: Public Emergency Medical Transportation (PEMT) Letter of Agreement: State of Florida, Agency for Health Care Administration.		
Requested Action or Motion: Move to ratify the agreement with the State of Florida for the Public Emergency Medical Transport (PEMT) supplemental reimbursement program to reimburse the state \$55,599.23.		
Summary Explanation & Background: The Maitland Fire Rescue Department provides transport and medical services, some of which qualify for the Public Emergency Medical Transport (PEMT) Program for Medicaid. As Medicaid patients are in need of transport, Medicaid will reimburse the city a small share of the actual transport costs. Through the PEMT program, the federal government augments Medicaid funding to help fill the gap between the Medicaid reimbursement and the actual cost of transport. On November 11, 2024, Council approved a multi-year contract with Public Consulting Group to assist the city with the reimbursement process. The Florida Fire Chiefs' Association championed a legislative effort which led to the approval of new funding establishing a Medicaid managed care supplemental payment while preserving the existing Public Emergency Medical Transport Medicaid Fee for Service Program. The Medicaid Managed Care Payment Program (MCO) increases Medicaid federal funding available to government-owned fire and EMS transport operations. The federal government requires a cost share which the State of Florida passes on to the county and city governments interested in participating in the program. The Agency for Health Care Administration (AHCA) implements and monitors this program by determining the city's cost share and reconciling payments made by the Medicaid insurance providers. This program may require additional agreements with AHCA and managed care providers, with this authorization to execute being delegated to the City Manager or his designee. Participating providers must execute a Letter of Agreement with ACHA and agree to quarterly intergovernmental transfers of funds to AHCA. The city has been applying for reimbursement since 2019. However, in most years, the city did not exceed the \$50,000 purchasing threshold. For the State FY 2024-2025 program year, the city is eligible to receive \$129,813.76 in PEMT MCO allotments, but in order to receive the funding, the City is required to partner with the State of Florida through a Letter of Agreement whereby the City makes an Intergovernmental Transfer of \$55,599.23. This ultimately nets the City additional medical transport reimbursement revenues of \$74,214.53. The original agreement was signed by the Fire Chief on October 14, 2024, and submitted to the Acting Chief of Medicaid Program Finance. It is requested that City Council ratify the agreement prior to the city issuing payment to the state.

MEETING DATE		AGENDA
January 26, 2026		Section: Consent Agenda
Department/Office : City Clerk	AGENDA REPORT	Item #: 5.
Subject: Restrictive Covenants Term Amendment: Maitland Art & History Association, Inc. Chapel Cross Restoration.		
Requested Action or Motion: Move to approve the amendment to the restrictive covenants revising the required term from ten (10) years to fifteen (15) years, as requested by the State grant administrators, and authorize the City Manager to execute all necessary documents consistent with this action.		
Summary Explanation & Background: The Art Deco buildings located in the northern portion of the Maitland Art and History Association, Inc. (A&H) campus were constructed in 1937, with the Maitland Art Center's Garden Chapel and Mayan Courtyard completed during World War II. The Chapel Cross, which stands approximately 20 feet tall, is the largest sculptural element on the historic grounds and one of the site's most recognizable features. The campus was noted by the National Historic Landmark Program nomination committee as being remarkable for its high degree of historical integrity. Due to age and settlement, the Chapel Cross has developed a significant fissure on the right side of the central relief panels. First observed in 2018, the fissure has continued to worsen and indicates serious structural stability concerns. Without corrective action to stabilize the underlying soil and existing structure, there is a risk of partial or full collapse of this historic element. On December 13, 2021, City Council authorized the City Manager to enter into an agreement with DRMP, Inc. to provide structural design services for portions of the Art and History Center. During the investigative phase, the consultant identified additional structural needs related to the Chapel Cross. As a result, on December 12, 2022, City Council approved an amendment authorizing additional structural design services to include the Chapel Cross. Following the completion of design, the Art and History Centers received a grant for \$70,450.00 from the state division of Historical Resources to assist with the cost of the stabilization of the Chapel Cross. Part of the grant requirements is to maintain the area for a period of time. The initial term requested by the state was 10 years. City staff assisted A&H with the bidding process for construction. The project was advertised for bid on June 29, 2025, with bids opened on July 29, 2025. Eleven (11) plan holders were recorded, and the City received one (1) bid submission from RLA Conservation in the amount of \$180,000. City Council previously approved the covenant and restriction for ten years; however, the State grants administrator has requested a modification to the terms of the associated covenant and restriction related to this project. Specifically, the State requires that the term of the covenant and restriction be amended from ten (10) years to fifteen (15) years. Because this change affects the duration of the City's		

obligations under the agreement, formal City Council approval is required. No other substantive changes to the project scope or funding are proposed at this time.

Fiscal Impact:

There is no additional fiscal impact associated with the requested amendment to the covenant and restriction term. The previously identified project cost of \$180,000.00 remains unchanged.

Department/Office : City Clerk	AGENDA REPORT	Item #: 1.
Subject: 2026 Canvassing Board Appointments: Council Member, Resident and Alternates.		
Requested Action or Motion: Council Decision		
Summary Explanation & Background: As of November 2007, the City's Canvassing Board is composed of the following members: one (1) member of the City Council, the City Manager, the City Clerk, and one (1) citizen appointed by the City Council. Alternate City Council and citizen members are also appointed in the event a primary member is unable to attend. Members of the Canvassing Board should anticipate attending approximately four (4) to five (5) meetings, which will be held at City Hall and the Orange County Supervisor of Elections (SOE) Office. The following canvassing board meeting dates at the SOE Office are confirmed: • Tuesday, March 10, 2026, at 3:00 p.m. • Friday, March 13, 2026, at 10:00 a.m. Additional canvassing meetings, including pre-election meetings at City Hall, will be scheduled as required and confirmed at a later date. The following City residents have expressed interest and willingness to serve on the Canvassing Board, if so desired by the City Council: • Doris Houck • Lori Wurtzel Recommendation: City Council is requested to appoint one (1) citizen member, one (1) alternate citizen member, one (1) City Council member, and one (1) alternate City Council member to serve on the Canvassing Board for the March 10, 2026 Municipal Election.

Department/Office : City Clerk	AGENDA REPORT	Item #: 2.
Subject: Appointments: Lakes Advisory Board (LAB).		
Requested Action or Motion: Move to appoint the nominated individuals to the Lakes Advisory Board to fill three (3) full three-year terms commencing January 2026 and expiring December 2028, and one (1) unexpired term expiring December 2026, in accordance with the City's established appointment procedures.		
Summary Explanation & Background: The Lakes Advisory Board (LAB) has multiple vacancies requiring appointment by the City Council. • Paul Brennan has served two (2) full terms and is not eligible for reappointment at this time. • Colleen Lilling has served one (1) full term and has advised that she is not interested in reappointment. • Brooke Powell has completed one (1) full term and is seeking reappointment. An additional vacancy was created by the resignation of Daisy Chaffee. As a result, the City Council is requested to make the following appointments: • Three (3) appointments to serve full three-year terms, and • One (1) appointment to serve the remainder of an unexpired term, expiring December 2026. The following residents, listed alphabetically below, have submitted applications for appointment consideration: Michala Hill Darrel Hoffman Samantha Levine Jackie Morris The applications are also attached for Council's review and consideration. Appointment Procedure: Pursuant to the City's established procedures for appointments to boards and commissions, the Mayor shall call upon the City Clerk to introduce the item and request nominations from the City Council. If the number of nominees equals the number of vacancies, the nominee(s) must receive a second and third to be appointed. If two or more nominations are made for a seat, the Mayor shall allow discussion on the nominees and then direct the City Clerk to poll each Council Member to select a nominee from the list of nominees. The City Clerk shall announce the number of votes cast for each nominee, and the Mayor shall declare the nominee receiving the highest number of votes as the appointee. In the event of a tie, the Mayor shall direct the City Clerk to conduct a second poll limited to the nominees who were		

tied.

Action Requested:

Appointment of three (3) individuals to serve full three-year terms on the Lakes Advisory Board and one (1) individual to serve the remainder of an unexpired term expiring December 2026.
